

ACH.COM

# Integrated ACH Payments

**Why stop at credit cards?** Cut out the middle man and **collect even more** with our integrated ACH processing platform. ACH.COM gives you the most cost efficient electronic transactions for your business, and allows you to easily streamline your accounting operations.

## Expertise & Proven Success

ACH.COM has multiple AAPs (Accredited ACH Professionals) on staff dedicated to providing you with an unsurpassed level of commitment and excellence in ACH payment expertise and knowledge.

## Reliable & Real-time Reporting

ACH.COM offers you the most advanced online reporting capabilities, all in real-time. We help you measure results with a myriad of checks and balances for all transactions and reports for analysis.

## Tier 1 Processor with Fed Terminal Onsite

ACH.COM is one of the few processors in the nation entrusted with a Fed Terminal onsite. This gives you earlier responses for return information and exception handling with the latest possible cut-off times.

## The Priority Advantage

As Priority Commercial Payments' proprietary automated clearing house, ACH.COM is the stand-alone ACH service of choice for banks and commercial customers across the country. ACH.COM is also built into CPX, Priority's end-to-end integrated payables solution.
