

Priority Commercial Payments Exchange (CPX[®]) is the streamlined integrated payables solution that:

- Works with your current ERP
- Processes all of your payment types from a single payment instruction file
- Digitizes payments to reduce costly checks and drive rebate revenue to you

Suppliers are critical stakeholders in your organization's success. CPX is a powerful tool for engaging them in supporting environmental, social, and governance (ESG) efforts and your commitment to the triple bottom line: People. Planet. Profits.

Our experienced and best-in-class, consultative supplier activation team makes it both simple and strategic to optimize your spend.

Make Payments Impactful. Generate ESG Funds with Digital Supplier Payments.

Mutual non-disclosure agreement

Execute a simple MNDA so we can discuss your organization's needs, goals and objectives to ensure alignment and understanding.

CPX Services agreement

Confirm alignment on the recommended strategy and execute the CPX agreement.

Start automating payments and earning rebates

Time is money! The sooner you start the faster your organization will profit from Priority CPX.

Supplier spend file

Share your spend file so Priority can deliver a detailed analysis and customized payment strategy that is best suited for your organization and your suppliers.

Single payment instruction file (PIF)

Use the dynamic CPX file mapper to create a custom PIF for your organization in 5 minutes!

Supplier activation and outreach campaign

Review and approve endorsement letters for your suppliers and identify sensitive suppliers to omit from the activation campaign.

Every \$1,000,000 in AP spend could generate up to \$15,000 in rebate to apply toward achieving your ESG goals.
